GLOBEXIA

Welcome

We help our clients achieve their goals.

At Globexia, we strive to always deliver nothing short of the best quality of service.

We know what most international buyers go through in searching for genuine suppliers for the products they intend to purchase. And so, have mapped out an effective procedure to enable you to close safer and more guaranteed transactions.

Whether it is a crude oil (BLCO) transaction, D2, JP54, a solid mineral, agricultural product, or any other globally demanded commodity, we're well equipped to help you have credible transactions.

Success always comes down to two things: dedication and effort. And we at Globexia, are experts at both.

A Little About Us

Globexia works across all types of industries, with all kinds of clients:

We help international buyers to safely and reliably procure Crude Oil (BLCO) Jet Fuel, Diesel, Petrol, Kerosene, Mazut, Bitumen, Pet Coke, Liquefied Petroleum Gas, and other non-oil commodities like Agricultural Products, Zinc Ore, Lead Ore, Copper Ore, Gold, and much more.

With a strong client focus and providing more than simply just a solution for your business, we strive to give independent expert advice, services, and facilitate the supply of oil and non-oil commodities to 54+ ports around the world based on established and trusted methodologies, as well as communicating facts to our customers.

— STAN EDMOM FOUNDER

Stan Edom is an entrepreneur with an expertise in supply chain management, oil and gas, energy resources, small business development, e-commerce, internet startups and agriculture. He partners with energy companies, mining companies, government organizations, AD agencies, and other types of businesses to bring their projects to life.
